Hi Ruth,  
I'm totally okay with you reaching out to Lauren M! My notes are attached – I haven't had a chance to clean them up, but should still be helpful.  
Thanks!  
Lauren

Kathy-

Do you want to touch base this afternoon or Monday on next steps, e.g., setting up a follow up meeting with the same group? Tod also suggested we include Lauren Maher re tribal treaty rights, and it probably would be good if we touch base with her first to give her some background, similar to what I did with Tod. (( can do that if Lauren K is okay with that while she's crunching on 401 stuff.)

I also asked Lauren to share her notes, and we can also share with Yvonne (she had accepted but I guess couldn't make it.)

Ruth
